Send lists and check to Chairman. Please include this information with the list:  
**Your Name, Phone # , Address, City/Zip and Email address.**

All students who register for Theory testing must have paid STUDENT AFFILIATE dues for this year. Please make sure those dues have been sent to local SA Chairman by the Testing Date. Please see SA Chairman's outline of dates for collection of student dues.

### **About TMTA Music Theory Testing program**

Your Texas MTA dues support the development of this Music Theory testing program. It is a result of many years of contribution by many Texas teachers. The testing is done in each Local Association by cooperative effort of all teachers who enroll students for testing. The test includes not only written essay type questions but also "sound" questions called ear-training. The program includes general music theory concepts from level one to twelve. Tests are given on two dates during the year: Fall date and Spring date. Tests are graded by State appointed graders. Students who score 90 or above on a test receive medals.

### **These are resources for preparing students for the Test.**

THEORY TEACHING MANUAL, GLOSSARY and DICTIONARY, Teacher Edition  
Order from State office online from [www.tmta.org](http://www.tmta.org). Click on Forms for the order form.
